Haroon Niazi is a Chartered Quantity Surveyor with more than 10 years of experience in the [construction industry](#). He has been appointed as a quantum expert and provided expert testimony in the Kingdom of Saudi Arabia on two occasions.

Haroon is a highly intelligent individual, and it reflects in his work. He is able to get the crux of the issues expeditiously in a way which aims to find a solution in all situations.

Lexology Index – Construction

Haroon has worked as both a quantity surveyor and a barrister, regularly appearing before tribunals in the UK. He has been instructed on matters ranging from domestic construction disputes, adjudications and lower value commercial claims through to acting as part of arbitration teams in multi-million-dollar arbitration proceedings.

Haroon has experience in all forms of dispute resolution and has a good knowledge of the JCT, NEC, FIDIC, MPW contracts in Kuwait, Saudi Public Works Contract and the Saudi Aramco standard form contracts, as well as various ad hoc contracts.

Haroon specialises in the quantification of construction cost claims. He supports clients across various market sectors from power and [oil and](#)

Regional Experience

Europe, Middle East

[gas to major buildings and infrastructure projects.](#)

Haroon Niazi holds a masters in both law and quantity surveying and is a fellow of the Royal Institution of Chartered Surveyors and a member of the Honourable Society of the Middle Temple. He is also a non-executive board member for the RICS Working Group in Saudi Arabia. Haroon is fluent in both English and Urdu and uniquely placed to support clients across Saudi Arabia and the wider Middle East region.

Haroon Niazi is recognised by market sources as “a highly intelligent individual who is able to get to the crux of the issue expeditiously” when handling the quantification of construction cost claims, with particular expertise in the Middle East region.
