

PAUL FICCA  
PARTNER, REGIONAL CHIEF  
EXECUTIVE OFFICER, AMERICAS

## Expert Highlights

- Certified Public Accountant.
- Certified Management Accountant.
- Proven as a credible expert witness under cross-examination.
- Acts as an expert regarding quantum and damages matters.
- Certified in Financial Forensics and a Certified Fraud Examiner.
- Ranked as a Thought Leader by Lexology Index.

Paul Ficca is a forensic accountant with over 36 years of experience. He has been retained as a quantum and damages expert on more than 40 occasions.

Paul has testified in jury and bench trials in multiple court jurisdictions and at various arbitration and litigation venues domestically and internationally. He has been engaged as an expert witness for disputes with values in excess of a billion dollars regarding real estate and construction, mergers and acquisitions, government enforcement actions, insurance, complex fraud investigations, and other commercial contract disputes.

Paul's experience ranges from project controls consulting, auditing, and in-depth project cost studies to claims analysis, dispute resolution and quantum calculations. He has worked for a broad range of clients including in the energy, transportation, manufacturing, high-tech, healthcare and life sciences, financial services, military defense, leisure and entertainment sectors.

Paul specializes in calculating economic damages and direct cost losses. He analyses matters ranging from differing site conditions, architectural defects and scope change impacts to alleged product defects, delay and damages, and losses related to labor, materials, equipment, and contract termination.

Paul is a Certified Public Accountant, a Certified Management Accountant, a Certified Fraud Examiner, and is Certified in Financial Forensics.
